ton industry as at January In show and 6.530.00 (d). The proportion nolds trace to the detector and tran-

portation. The people breeze in hand of forests; coal and percotean and they starve to a land of bound less agricultural and grazing terr-

PLAYING THE OLD TUNES.

Nothing is clearer than that some of the nations invited to the disarmament conference ark trying to have the program arranged so that they will not be required to make a decision. They don't want those subjects brought up which the conference has been called to remind the discriminating reader, is the course of traditional old-world dicourse of traditional old-world di-
